

GIRL POWER 2024

Sunday, March 3
2-5 p.m.

APL South Campus B201
11091 Johns Hopkins Road
Laurel, MD 20723

Girl Power is an engaging afternoon of workshops and a STEM Expo ready to inspire and excite the next generation of girls to pursue STEM careers.

Girl Power allows students to learn about new careers, explore hands-on STEM activities, and attend STEM workshops. **Advance registration is required.**
